Declaration by Organization/ Institute in which Applicant/ Candidate is working

As declared above by Mr. _____ we are agreed/ not agreed with the above statement. For Point No c ii) & iii) we also agreed that –

- Our professional Centre is recognized as a Research Centre by IIIT Allahabad
- The work place / professional centre of our organization is formally sponsoring the aspirant candidate for research studies on full / part time basis.
- The Management / Administration agrees to extend the research facilities, infrastructural support, library / computing resources and sufficient quality time for the researcher.
- The Management / Administration is willing to extend the logistics of providing local hospitality and travel expenses to the research supervisor(s) / Doctoral committee whenever the visit is warranted for monitoring and reviewing the research progress and also grant permission to the candidate to travel to IIITA to meet research supervisor(s) / Doctoral committee for discussion and assessment process.
- The Management / Administration is ready to identify a suitably qualified resource person, if available, to act as a local mentor / local supervisor for the research candidate, who will be identified as the joint supervisor for the candidate by IIITA along with the main supervisor from IIITA.
- The Management / Administration is agreed to accept the research papers / patents resulting from such joint work as joint properties of both the institute/ organizations and the advantage will be proportionately shared.
